## RECOMMENDATION LETTER

*August 5, 2024*

On behalf of the “MSD UKRAINE” LLC, I would like to express our gratitude to LA Law Company (Kyiv).

Our request to the lawyers was to help with the simplification of our internal policies. It was crucial for us to update the processes and ensure their compliance with the effective legislation.

We were left with an exceptionally positive impression of the work of the partner Vitalii Savchuk, senior associate Yaroslav Furiaka, and junior associate Anna Minakova, as they clearly understood the specifics of our needs and business activities.

LA lawyers managed to develop a set of new documents tailored for our needs in quite a short time without compromising the quality of services. Due to their work, we received new policies that would reflect our global standards and actual processes within the company, as well as provide efficient risk management.

The LA Law Company is definitely our top choice for receiving high-quality legal services. We deeply appreciate the client-oriented approach of the LA team and look forward to further productive cooperation.
